Sir,

Re Disposal of certain sites free of cost for the musafirkhana and Kunchitigara Sangha in Madhugiri Town

---

In forwarding herewith in original, the connected records received from the President, Town Municipal Council, Madhugiri on the above subject, I have the honor to state as follows -

The President states that site measuring 60'x120' in front of the local Veterinary Hospital, was given over to the District Board, Tumkur, for the construction of the musafirkhana at the place, free of cost in accordance with G O No L 9914-16/M1 81-39-118 dated 29-5-1940 and that the site, in the local darga maidan for the Kunchiti gara Sangha and that the foundation stone was also laid for it by Sir Mirza Ismail, Ex-Dewan of Mysore

It is now stated that the District Board, Tumkur, are not in favour of constructing the musafirkhana on the above site which is located in front of the Veterinary hospital But they have requested that the site situated to the south of the Town Hall, selected by the Minister for L S G and Public Health during his visit to this town on the 22nd and 23rd November 1941, may be granted for the purpose

The Municipal Council at their meeting held on 29-3-1942 have resolved that the site to the south of the Town Hall be given to the District Board, Tumkur, for the construction of the musafirkhana building and also for the two hostels, viz the Vaisya and Kunchitigara Sangha in place of original sites given to them Further, the Council

at

at their meeting held on the 5th instant, have resolved to dispose of the sites formerly given to the District Board and the Kunchitigara Sangha by forming the same into building sites

In this connection I may add that the Minister for L S G and Public Health, during his visit to the Madhugiri town in November last (1941) has observed that the sanctioned site in front of the Veterinary Dispensary may be disposed of and the open space adjoining the old Pavagada-Tumkur road, in the back side of the Town Hall, may be distributed for the construction of the musafirkhana and the Kunchitigara Sangha hostel, without obstructing the view of the Town Hall at the Tumkur road junction

I request that sanction of Government may be kindly obtained to the proposals of the Municipality fo the grant of sites to the south of the Town Hall, to the District Board and to the two hostels for the said purposes and to the disposal of the sites formerly given into building sites by the Municipality

I have the honor to be,

Re grant of sites free of cost, for the construction of a musafirkhana and two hostels in Madhugiri Town

---

Sir,

With reference to your letter No L 11119/M1 92-41-62 dated the 21st May 1942, calling for further particulars, on the above subject, I have the honor to forward herewith the connected records received from the President, Madhugiri Town Municipality and to state as follows -

The President states that sites were granted for the construction of the musafirkhana and the Kunchitigara hostel, in accordance with G O No L 9914-16 M1 81-39-118 dated 23-5-1940 and the Council resolution dated 19-1-1933 respectively No such site was granted to the Vaisya hostel

Formerly a site measuring 125' x 120' in front of the Veterinary Dispensary, had been allotted for the construction of the musafirkhana But it was found to be not suited, the President, District Board, requested, the Municipal Council, for the grant of the site behind the Town Hall As regards the Kunchitigara hostel, a site had been allotted to it without mentioning the dimensions out of the vacant plot of ground measuring 250' x 120' by the side of the Daragroad leading to the Fort

It was considered desirable by the Municipal Council to have all these buildings in an open plot of ground behind the

Town

Town Hall and the Minister for L S G and Public Health, was also pleased during his visit to this town in November last to suggest sites for the musafirkhana and the two hostels in this area Accordingly the Municipal Council at their meeting held on 29-3-1942 have resolved to grant sites to these institutions and to the musafirkhana.

The two sites originally granted to the musafirkhana and the Kunchitigara hostel have been released for disposal as building sites The site measuring 250'x 120' out of which a site had been given to the Kunchitigara hostel, has now been split up into 12 sites, each measuring 50' x 40' according to the sketch enclosed

The site that had been originally given to the musafirkhana in front of the Veterinary Dispensary, measuring 125'x120' has been split up into six sites, of which three are of 20'x30' and the other three, 25'x 60 in dimension, vide sketch enclosed.

As it is proposed to adjust the over-draft of Rs 5000/- allowed to this Municipality, to tide over the crisis, during the year 1940-41 out of the realisations from the sale proceeds of these sites (as they are expected to fetch good prices) the President seeks the early sanction of Government for the disposal of these 18 sites as the overdraft, has to be repaid before the end of December 1942, as directed by Government.

All the above mentioned sites belong to the Municipality

The site behind the Town Hall on which it is proposed to construct the musafirkhana and the two hotels measures 3363 Sqr feet vide sketch enclosed

The sites have not been marked out as the area required for the musafirkhana has not yet been intimated by the President, District Board who is said to have been reminded in the matter
